PARENT/GUARDIAN SECTION:

Please review the following steps required for permission of school personnel to administer any medication to your child and sign this section:

1. Both the parent (top section) and the licensed prescriber (bottom section) must complete this form.
2. Medication must be provided in the student's labeled prescription bottle. This prescription must match the instruction from the prescriber. If it is a non-prescription medication, it must be in the original container.
3. New forms must be submitted each school year and for each new medication. New forms must be submitted when any changes in the original form occur (for example, changes in the dose, time).

I request that medication be administered to my son/daughter according to the directions of the licensed provider in the following section. I also authorize the exchange of information between the health care provider and the school regarding this medication order when deemed necessary by school personnel.
