

Charge policy

Blanchester Local Schools charge policy allows for two (2) lunch charges. Parent notes and courtesy phone calls with reminders will be sent and if no response than an alternative entrée will be offered. (full lunch is given according to USDA standards).

Payment must be received for the charge before a student can charge again. Money may be added to the student's meal account with the cafeteria cashier at breakfast or lunch time.

We offer the convenience of MySchoolBucks.com to view or apply funds directly to a student meal account. The service is free to view account information but if you would like to add money to an account there is a fee charged per transaction. To create an account, you will need your student's ID number which can be obtained from your student or by calling the Food Service Department.

Thank you,

Paula Wallace

Food Service Supervisor
